Universal Design Coalition advocates good design that can make it possible for residents to stay at home as they age.

Larry Hale, Architect

By attending this presentation about Universal, Aging-in-Place and Age Friendly Design you will get answers to questions like:

How can I **make my home more "Age Friendly"**, easier to Visit, Suitable, Safe Flexible and Accessible?

How can having a Home that incorporates Universal Design **save me Time, Money and Emotional upset** now and in the future?

What are the **5 top modifications** and critical areas that I need to focus on so that I can live in my own home for a longer period of time?

*Simple Solutions for Safer Living
Lifetime Design Tips for Lifetime Comfort*

Fee for the class is \$10.00. Please RSVP to Mary Ann 941-383-6493.
